

# TACKLE SICKLE CELL BLOOD DRIVE

- 1 in 500 African Americans and 1 in 1400 Latinos are born with Sickle Cell Disease
- It also affects people of Caribbean, Middle Eastern, Indian and Mediterranean descent

**Donate blood today to become an important part of our campaign to increase awareness, fundraising and community support.**

**When: Saturday, February 18, 2017**

**Time: 10 a.m. to 3:30 p.m.**

**Where: Robert Wood Johnson University Hospital  
Arline and Henry Schwartzman Courtyard  
New Brunswick, NJ**

Twin brothers Jason & Devin McCourty were football standouts at Rutgers University before moving on to the NFL where they are both currently starting defensive backs.

All presenting donors will receive a signed photograph of the McCourty twins and a Tackle Sickle Cell t-shirt.

Everyone who registers through the website and then presents to donate will receive a \$10 gift card to Hansel n' Griddle, which is not transferable for cash.

**TO REGISTER:**

**CALL 732-235-8100 ext. 221 OR ext. 248**

**VISIT [www.TackleSickleCell.org/events](http://www.TackleSickleCell.org/events) and click on Blood Drives.**

\*\* All donors must be at least 17 years old (16 year olds must have written parental consent), weigh at least 110 lbs. (16 year olds must weigh 120 lbs.), be in good health and bring photo or signature I.D. Please eat a good meal and drink plenty of fluids before donation.
